Please submit a letter of nomination (1-2 pages) and you may use the following questions listed below as a guide. Please also include any relevant supporting documentation, data, testimonials, statements, etc. This form along with your supportive evidence can be compiled and emailed to awards@coceal.org. You may also refer to the rubric that will be used to determine award recipients. This can be found on the CoCEAL Impact Practice Awards website: <http://coceal.org/wp/impact-awards/>

- What is the area of Impact Practice?
- What are the relevant dates and timelines?
- What is the mission and vision?
- What measurable goals/outcomes have been set?
- How does overall mission impact Latinx students, faculty, staff, and/or community members?
- Examples of the impact and/or efforts to support Latinxs in higher education.
- Who are the essential staff, their key responsibilities, and the contribution they have on Impact Practice success.
- What is the primary source of funding? Please include current and future funding sources.
- Share how the Impact Practice has evolved and strengthened the success of Latinxs in higher education since its inception.
